GRACE

God's grace has been given,
enabling us to receive salvation and
enter into fellowship with Him.

FAITH

By faith, we access His provision of grace to enjoy His gift of salvation.

RESPONSIBILITY

It is our responsibility to apply faith to believe and receive all that God has given us by His grace.

GRACE defined:

God's unmerited favour toward us, by forgiving us and making us sons of God, plus giving us His ability, empowering us to do righteously and work the works of God.

**TO MATURE SPIRITUALLY,
IT
IS OUR RESPONSIBILITY
TO:**

ACCEPT that Jesus has absorbed and defeated sin.

ACCEPT the victory of the cross.

ACCEPT the new life in Christ

THANK YOU
